

No Opposition

Cabernet Sauvignon

BOLD • BARREL AGED • AMBITIOUS

GOLD MEDAL, 2017 Indy International, West Lafayette, IN

The Heavyweight

In a world where everyone gets a participation trophy, we are fighting back with a perfection that only 40 years can bring. Made proudly in the heart of an urban landscape where only the best survive, our wines are tried and tested by experts, amateurs, and everything in between.

With all that behind him, our winemaker has crafted a Cabernet Sauvignon that only experience and hard work can perfect.

The Crush

This young talent comes out swinging with heavy black cherry and lands a punch with plum. Finished with naturally air-seasoned American White Oak barrels, this rising champion leaves the ring with a nod to coconut and vanilla.

The Knockout

No Opposition Cabernet Sauvignon takes a bold approach that rivals its veteran and less approachable peers. Not afraid to take a swing, this brute will back you up. Don't be surprised when the gloves come off and the bare knuckled ruggedness shines.
